

ORIENTAL CLUB

Oriental Club Members have access to a Wine List that has been carefully curated over many years – one of the many benefits of Club membership. With over 20,000 bottles of wine in the Club's Cellars, there are many gems to discover.

Wine has always held a special place in the hearts of Oriental Club Members, and this Wine List is a testament to that. The collection has been procured with the intention of offering a variety of renowned classics, in addition to a selection from regions across the globe.

There has been a long tradition of acquiring wines, particularly from Bordeaux, En-Primeur, ensuring that there are plenty of high-quality fine wines available - these wines take centre stage in this selection. The Club tends to partner with long-standing, trusted vigneron, agents and importers, resulting in wines that are both of superb quality and value.

To further enhance your experience, I have suggested some food and wine pairings that, I believe, in each case, strike the perfect balance.

Best wishes,
